

Manufacturer's Certification Statement

As part of the "Emergency Economic Stabilization Act of 2008", homeowners that purchase qualifying BMP Metal Roofing are eligible for a tax credit of 30% of material cost, up to \$1,500.00.

Qualifiers include:

- Material is installed between January 1, 2009 through December 31, 2010.
- Must be taxpayer's principle residence.
- Roof Slope is greater than 2:12.
- \$1,500 is the maximum total amount that can be claimed for all products placed in service in 2009 & 2010 for most home improvements, EXCEPT for geothermal heat pumps, solar water heaters, solar panels, fuel cells, and windmills which are not subject to this cap, and are in effect through 2016
- Improvements made in 2009 will be claimed on your 2009 taxes (filed by April 15, 2010) — use IRS Tax Form 5695 (2009 version) — it will be available late 2009 or early 2010.
- Taxpayers must keep a copy of this certification statement for their records, but do not have to submit a copy with their tax return.

BMP Metal Products, Inc. certifies that the Metal Roofing products listed below are *Eligible Building Envelope Components*, which meet or exceed Energy Star requirements allowed under Section 1333 § 25C of the Energy Policy Act of 2005, later amended by the Emergency Stabilization Act of 2008.
