

OVER 25 YEARS OF STRENGTH & RELIABILITY

# EXPRESS RIB

*Make your next roof—your last roof, with BMP Metal Products.*

Here in the Southeast, Metal Roofing blows the competition away. In fact, after Hurricane season they are often the only ones standing.

EXPRESS RIB panels, available in 29 & 26 gauge steel are certified to withstand 140 MPH\* winds. That strength and durability, combined with a weather-tight seal, make EXPRESS RIB the metal roofing panel of choice for residential application.

With a “Baked On” Premium painted finish, warranted for up to 40 YEARS, or Acrylic-Coated Galvalume warranted up to 25 YEARS—our panels offer long life & durability. Customers who select EXPRESS RIB or any BMP Metal Product for their projects can rest assured they have chosen the best materials available through a manufacturer with over 25 YEARS of experience.

## EXPRESS RIB Benefits:

- 16 Premium Colors to choose from
- Lower Energy Bills
- Long Lasting, Durable
- 140 MPH Wind Load \*
- Hail Resistant—Impact IV Rated
- Increased Fire Protection
- Energy Star Tax Credits
- Environmentally Friendly

If you have questions about any of our metal roofing options, feel free to ask us or your contractor.

(\*When installed according to Florida Building Code.)
